

Covid-19 - Access to Services

South Uist Medical Practice

The South Uist Medical Practice team would like to assure all patients in South Uist that we are maintaining normal working hours.

Ordering and dispensing of repeat medications as well as access to Medical and Nursing care are available as before.

We are encouraging **hand hygiene** and **social distancing** which may mean less time in the Practice but access to treatment continues as usual.

Telephone and Video (Near Me) calls are being encouraged.

Please be aware that the **Benbecula (Griminish) Branch Surgery** has closed for the time being.

Thank you for your patience and understanding.
